

WEEKEND BACKPACKS

PRESENTS

Chefs' Event Reimagined... For Our Kids!

This is a series of four virtual food events, come to one or come to all. We created these to raise the funds we need to combat hunger among vulnerable Baltimore City schoolchildren, and to celebrate our Weekend Backpacks community.

Mixology 101 - Dueling Bartenders **Sunday, March 21, 2021 3-4 PM**

Don't we all need a drink by now? Four specialty cocktails from two of Baltimore's star mixologists, Jason Austin, Beverage Director of Linwood's and Steven Wecker, Beverage Director at both Cured and 18th & 21st restaurants. Registration fee includes special ingredients for these signature drinks. Bring your own booze!

Decorate cupcakes with advice from a pro, Jason, owner of one of Baltimore's premiere bakeries, "cake by JASON HISLEY." Decorating kit will include 6 cupcakes, icing bag with tips and colored icings. This is a family friendly event.
